

We've created these printable cards to make giving a Brave Girls Club Gift Certificate just a little more special. Print the card of your choice out on good quality card stock or even photo paper and write your personal message on the back. Print your actual Gift Certificate separately and include with this Card.

These cards are 5" x 7" and will fit in a standard A7 size envelope (available just about anywhere these days.)

Happy gift giving! xoxo

Write the message of your choice on this version of the gift card.

Remember to enclose your actual printed PayPal gift certificate with your card.
The cards on this pdf are not gift certificates by themselves. :)
